DART®

BATHROOMS

Aquadart Bathrooms ensures that our products are perfectly **matched** across all our brands to **co-ordinate** your look and enhance the small yet **important** details.

BY AQUADART BATHROOMS

Aquadart features the latest **premium** shower enclosures, bath screens and shower tray designs with uncompromising attention to **detail** and **quality materials** across all ranges.

From our comprehensive **6mm** and **8mm** enclosure ranges to the luxurious **10mm** ranges, Aquadart provides a **solution** for every bathroom in every home.

Clean & Clear™
Easy Clean Glass Treatment

Our Clean & Clear™ glass protection system is both innovative and highly beneficial. It creates a protective barrier which is applied to all Aquadart enclosures and bath screens as standard. The 'non-stick' surface resists lime scale build-up and water spots whilst reducing the need to clean by half.

venturi6

Venturi 6 has a **comprehensive** collection of enclosures. Mixing quality materials with stylish designs, this **extensive** range from Aquadart will provide a stylish addition to your bathroom.

SINGLE DOOR QUADRANT

A corner fitted enclosure with a single sliding door providing a generous space for showering. It can be fitted to suit a left or right hand opening.

SIZE	ADJUSTMENT	CODE	PRICE

ROLLA 8

The Rolla 8 side panels now benefit from a **magnetic profile** creating a **watertight seal** where the door meets the **side panel**. An optional **closing seal** enhances a watertight seal without the need for an additional wall profile. Using a **Corner Post** allows the door to close against a **wall** or **window**.

CONCEALED SHOWER VALVES

All showering products marked [w] are WRAS Approved on the valve only.

Features

Flow and temperature are controlled separately

Thermostatic cartridge maintains showering temperature to +/- 1 °C

Automatic shut-off in the event of cold water supply failure, to prevent scalding

Temperature factory set to a 38°C to eliminate the ability to select an unsafe temperature

Built-in isolating valves enable product to be serviced from the front with disrupting the supply

DART®

BATHROOMS

Aquadart Bathrooms offer substantial consumer guarantees on all products.
Please see our website www.aquadart.co.uk for full details.

CONTINUOUS IMPROVEMENT

In line with our policy for continuous improvement, we reserve the right to alter or amend any product specification and prices without prior notice.
Colours are as accurate as the printing process will allow. Where products are stated as 'chrome' or 'gold', this refers to the finish colour and not material.

All dimensions are in millimetres and are nominal, they are provided as guidance only.

PRICES

The prices included within this brochure supercede all previous publications with goods being invoiced at prices ruling on date of dispatch. Prices shown are inclusive of VAT and are subject to alteration without notice.

ENVIRONMENTAL

We care about the environment and our environmental impact through sourcing products, recycling & waste and as a company we are ISO 14001 and ISO 9001 accredited.
